

Fragile Palm Leaves

MS ID 2662

Room 3A

anumodanālankāra

Handwritten text in a cursive script, likely Persian or Arabic, spanning the top strip of the manuscript. The text is densely written and includes several large, dark circular marks, possibly decorative or indicating specific points of interest.

Handwritten text in a cursive script, likely Persian or Arabic, spanning the bottom strip of the manuscript. The text is densely written and includes several large, dark circular marks, possibly decorative or indicating specific points of interest.

Handwritten text in a cursive script, likely a letter or document. The text is written on a single sheet of paper, which is slightly aged and shows some staining. The handwriting is dense and fills most of the page. There are two small dark spots, possibly holes or ink marks, visible on the paper.

Handwritten text in a cursive script, likely a letter or document. The text is written on a single sheet of paper, which is slightly aged and shows some staining. The handwriting is dense and fills most of the page. There are two small dark spots, possibly holes or ink marks, visible on the paper.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single sheet of paper with two visible holes for binding. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single sheet of paper with two visible holes for binding. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely Arabic or Persian, spanning the top strip of the manuscript. The text is densely written and covers the entire width of the strip.

Handwritten text in a cursive script, likely Arabic or Persian, spanning the bottom strip of the manuscript. The text is densely written and covers the entire width of the strip.

Handwritten text in Burmese script, likely a historical document or manuscript. The text is written in a cursive style and spans across the top section of the image. A prominent phrase, "သောတာပတ္တိတရားသာ" (Sotapatti Tarrasasa), is visible in the center-right portion of the text.

Handwritten text in Burmese script, continuing from the top section. The text is written in a cursive style and spans across the bottom section of the image. The script is dense and covers most of the width of the page.

Handwritten text in Burmese script, likely a historical document or manuscript. The text is written in a cursive style and includes several lines of prose. There are two prominent circular marks (possibly holes or decorative elements) visible in the middle section of the text.

Handwritten text in Burmese script, continuing the narrative or document from the top strip. The text is written in a cursive style and includes several lines of prose. There are two prominent circular marks (possibly holes or decorative elements) visible in the middle section of the text.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single line across the page. The script is dense and difficult to decipher, but appears to be a form of early modern European cursive. There are two large, dark, circular marks or holes visible on the page, possibly from binding or damage.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single line across the page. The script is dense and difficult to decipher, but appears to be a form of early modern European cursive. There are two large, dark, circular marks or holes visible on the page, possibly from binding or damage.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be in a language from the Middle East or South Asia. The script is dense and flowing, with many ligatures and variations in letter forms. There are several large, dark ink blotches or stains on the page, particularly in the center and towards the right side. The paper is aged and shows signs of wear, including discoloration and small holes.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be in a language from the Middle East or South Asia. The script is dense and flowing, with many ligatures and variations in letter forms. There are several large, dark ink blotches or stains on the page, particularly in the center and towards the right side. The paper is aged and shows signs of wear, including discoloration and small holes.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single sheet of paper with two visible holes for binding. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single sheet of paper with two visible holes for binding. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely Burmese, spanning the top strip of the manuscript. The text is densely written and covers the entire width of the strip.

Handwritten text in a cursive script, likely Burmese, spanning the bottom strip of the manuscript. The text is densely written and covers the entire width of the strip.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single line across the top of the page. There are two prominent dark circular marks, possibly holes or ink blots, located approximately one-third and two-thirds of the way across the line of text.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single line across the bottom of the page. There are two prominent dark circular marks, possibly holes or ink blots, located approximately one-third and two-thirds of the way across the line of text.

Handwritten text in a cursive script, likely a historical document or letter. The text is written in a dark ink on aged, slightly discolored paper. The script is dense and fills most of the page. There are two prominent dark circular marks, possibly holes or ink blots, located near the center of the page.

Handwritten text in a cursive script, continuing from the top page. The text is written in a dark ink on aged, slightly discolored paper. The script is dense and fills most of the page. There are two prominent dark circular marks, possibly holes or ink blots, located near the center of the page.

Handwritten text in a cursive script, likely a letter or document. The text is written on a single sheet of paper with two punch holes visible. The handwriting is dense and fills most of the page.

Handwritten text in a cursive script, likely a letter or document. The text is written on a single sheet of paper with two punch holes visible. The handwriting is dense and fills most of the page.

Handwritten text in Burmese script, likely a historical document or manuscript. The text is written in a cursive style and spans multiple lines across the top section of the page. Two large black dots are visible, possibly indicating section breaks or specific points of interest in the text.

Handwritten text in Burmese script, continuing from the top section. The text is written in a cursive style and spans multiple lines across the bottom section of the page. Two large black dots are visible, possibly indicating section breaks or specific points of interest in the text.

Handwritten text in a cursive script, likely Persian or Arabic, spanning the top half of the image. The text is written on a light-colored, aged paper strip. It begins with a small, distinct symbol or character on the left side. The script is dense and continuous, with some variations in line height and spacing. There are two small, dark circular marks or holes visible on the paper strip, one towards the left and one towards the right. The text appears to be a single paragraph or a section of a larger document.

Handwritten text in a cursive script, likely Persian or Arabic, spanning the bottom half of the image. The text is written on a light-colored, aged paper strip. It begins with a small, distinct symbol or character on the left side. The script is dense and continuous, with some variations in line height and spacing. There are two small, dark circular marks or holes visible on the paper strip, one towards the left and one towards the right. The text appears to be a single paragraph or a section of a larger document.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single line across the page. There are several large, dark ink marks or stains visible, particularly in the center and towards the right side of the page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single line across the page. There are several large, dark ink marks or stains visible, particularly in the center and towards the right side of the page.

Handwritten text in Arabic script, likely a manuscript or letter. The text is written in a cursive style and spans the width of the strip. It appears to be a single paragraph or a short section of a larger work. The ink is dark, and the paper is aged and slightly discolored.

Handwritten text in Arabic script, continuing the narrative or discussion from the top strip. The text is written in a cursive style and spans the width of the strip. It appears to be a single paragraph or a short section of a larger work. The ink is dark, and the paper is aged and slightly discolored.

Handwritten text in Arabic script, likely a manuscript page. The text is written in a cursive style and is densely packed across the page. There are several large, dark ink blotches or stains visible, particularly in the center and towards the right side of the page.

Handwritten text in Arabic script, likely a manuscript page. The text is written in a cursive style and is densely packed across the page. There are several large, dark ink blotches or stains visible, particularly in the center and towards the right side of the page.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single sheet of paper with two visible holes for binding. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single sheet of paper with two visible holes for binding. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single line across the page, with some ink bleed-through visible from the reverse side. The script is dense and appears to be a form of shorthand or a specific dialect. There are two large, dark circular marks on the page, possibly holes or damage to the parchment.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single line across the page, with some ink bleed-through visible from the reverse side. The script is dense and appears to be a form of shorthand or a specific dialect. There are two large, dark circular marks on the page, possibly holes or damage to the parchment.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single line across the page. The script is dense and difficult to decipher, but appears to be a form of early modern European cursive. There are several large, dark ink blotches or stains visible on the page, particularly in the center and towards the right side.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single line across the page. The script is dense and difficult to decipher, but appears to be a form of early modern European cursive. There are several large, dark ink blotches or stains visible on the page, particularly in the center and towards the right side.

Handwritten text in a cursive script, likely Burmese, spanning the top strip of the manuscript. The text is densely written and includes several large, bold characters that may serve as section markers or headings. The script is fluid and characteristic of traditional Burmese calligraphy.

Handwritten text in a cursive script, likely Burmese, spanning the bottom strip of the manuscript. This section continues the narrative or list from the top strip, maintaining the same fluid, traditional script style. The text is densely packed and covers the entire width of the strip.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. It appears to be a continuous paragraph or a series of related entries. There are two prominent dark circular marks, possibly holes or ink blots, visible in the middle of the page.

Handwritten text in a cursive script, continuing from the top page. The text is written in a dark ink on aged, slightly discolored paper. It appears to be a continuous paragraph or a series of related entries. There are two prominent dark circular marks, possibly holes or ink blots, visible in the middle of the page.

Handwritten text in Arabic script, likely a manuscript or letter. The text is written in a cursive style and covers the upper portion of the page. There are two large circular holes visible in the center of the page, suggesting it was once bound or had a central fold.

Handwritten text in Arabic script, continuing from the upper portion. The text is written in a cursive style and covers the lower portion of the page. There are two large circular holes visible in the center of the page, suggesting it was once bound or had a central fold.

Handwritten text in Arabic script, likely a manuscript or letter. The text is written in a cursive style and is densely packed across several lines. There are two prominent circular holes or indentations visible in the center of the page, suggesting it was once bound or folded.

Handwritten text in Arabic script, continuing from the top page. The text is written in a cursive style and is densely packed across several lines. There are two prominent circular holes or indentations visible in the center of the page, suggesting it was once bound or folded.

Handwritten text in Arabic script, likely a manuscript or letter. The text is written in a cursive style and spans the width of the page. There are two large circular holes visible in the center of the page, suggesting it was once bound or folded. The paper is aged and slightly discolored.

Handwritten text in Arabic script, continuing from the top page. The text is written in a cursive style and spans the width of the page. There are two large circular holes visible in the center of the page, suggesting it was once bound or folded. The paper is aged and slightly discolored.

Handwritten text in Burmese script, likely a historical document or manuscript. The text is written in a cursive style and includes several lines of prose. A prominent heading or section marker is visible near the top center, and there are two large circular holes or indentations in the paper.

Handwritten text in Burmese script, continuing the narrative or document from the top strip. The text is written in a cursive style and includes several lines of prose. A prominent heading or section marker is visible near the top center, and there are two large circular holes or indentations in the paper.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single sheet of paper, showing signs of age and wear. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single sheet of paper, showing signs of age and wear. The script is dense and fills most of the page.

Handwritten text in Burmese script, likely a historical document or manuscript. The text is written in a cursive style and spans multiple lines across the top section of the page. The script is dense and fills most of the upper half of the page.

Handwritten text in Burmese script, continuing from the top section. The text is written in a cursive style and spans multiple lines across the bottom section of the page. The script is dense and fills most of the lower half of the page.

Handwritten text in Arabic script, likely a manuscript or letter. The text is written in a cursive style and covers the upper portion of the page. There are two large circular holes visible in the center of the page, suggesting it was once bound or folded. The ink is dark and the paper appears aged.

Handwritten text in Arabic script, continuing from the upper portion. The text is written in a cursive style and covers the lower portion of the page. There are two large circular holes visible in the center of the page, suggesting it was once bound or folded. The ink is dark and the paper appears aged.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single line across the page, with some visible ink bleed-through from the reverse side. The script is dense and appears to be a form of early modern European cursive.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single line across the page, with some visible ink bleed-through from the reverse side. The script is dense and appears to be a form of early modern European cursive.

Handwritten text in Arabic script, likely a manuscript or letter. The text is written in a cursive style and is densely packed across several lines. There are two large circular holes visible in the center of the page, suggesting it was once bound or folded. The paper appears aged and slightly discolored.

Handwritten text in Arabic script, continuing from the top page. The text is written in a cursive style and is densely packed across several lines. There are two large circular holes visible in the center of the page, suggesting it was once bound or folded. The paper appears aged and slightly discolored.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single line across the page, with some ink bleed-through visible from the reverse side. The script is dense and flowing, characteristic of early modern handwriting.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single line across the page, with some ink bleed-through visible from the reverse side. The script is dense and flowing, characteristic of early modern handwriting.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single sheet of paper with two visible holes for binding. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single sheet of paper with two visible holes for binding. The script is dense and fills most of the page.

Handwritten text in Arabic script, likely a manuscript or letter. The text is written in a cursive style and spans the width of the page. There are several lines of text, with some words appearing to be in a different script or dialect. The paper is aged and shows signs of wear.

Handwritten text in Arabic script, likely a manuscript or letter. The text is written in a cursive style and spans the width of the page. There are several lines of text, with some words appearing to be in a different script or dialect. The paper is aged and shows signs of wear.

Handwritten text in a cursive script, likely Persian or Arabic, covering the top half of the page. The text is dense and fills most of the horizontal space.

Handwritten text in a cursive script, likely Persian or Arabic, covering the bottom half of the page. The text is dense and fills most of the horizontal space.

Handwritten text in Burmese script, likely a historical document or manuscript. The text is written in a cursive style and covers the upper portion of the page. It appears to be a continuous narrative or record, possibly related to a royal decree or a historical event. The script is dense and fills most of the page area.

Handwritten text in Burmese script, continuing the narrative or record from the upper portion. This section also contains dense, cursive script, with some lines appearing slightly more spaced out than the top section. The text is written on a separate strip of paper, suggesting it might be a continuation or a separate entry related to the top section.

Handwritten text in Arabic script, likely a manuscript or letter. The text is written in a cursive style and is organized into several lines. There are two prominent circular holes or indentations in the center of the strip, suggesting it was once part of a bound volume or a folded document. The ink is dark and the paper is aged and slightly discolored.

Handwritten text in Arabic script, continuing from the top strip. The text is written in a cursive style and is organized into several lines. There are two prominent circular holes or indentations in the center of the strip, suggesting it was once part of a bound volume or a folded document. The ink is dark and the paper is aged and slightly discolored.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single line across the page, with some visible ink bleed-through from the reverse side. The script is dense and appears to be a form of early modern European cursive.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single line across the page, with some visible ink bleed-through from the reverse side. The script is dense and appears to be a form of early modern European cursive.

အရှင်ကြီးထံမှစာတော်ကိုယူကာ

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single line across the page. There are two large, dark, circular marks or holes visible in the center of the page, possibly indicating where the document was bound or damaged.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single line across the page. There are two large, dark, circular marks or holes visible in the center of the page, possibly indicating where the document was bound or damaged.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single sheet of paper with two visible holes for binding. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single sheet of paper with two visible holes for binding. The script is dense and fills most of the page. At the bottom right, there is a signature or name written in a larger, more formal script.

Handwritten text in a script, likely Burmese, covering the top strip of the manuscript. The text is densely written and spans the entire width of the strip.

Handwritten text in a script, likely Burmese, covering the bottom strip of the manuscript. The text is densely written and spans the entire width of the strip.

The handwriting is dense and fills most of the page. There are two small circular holes visible on the left side of the page, possibly from a binding or punch.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single sheet of paper with two visible holes for binding. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single sheet of paper with two visible holes for binding. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single sheet of paper with two visible holes for binding. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single sheet of paper with two visible holes for binding. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single line across the page, with some ink bleed-through visible from the reverse side. The script is dense and flowing, characteristic of early modern handwriting.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single line across the page, with some ink bleed-through visible from the reverse side. The script is dense and flowing, characteristic of early modern handwriting.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single line across the page. There are two large circular holes visible in the center of the page, suggesting it was once bound in a book or folder. The script is dense and appears to be in a historical form of a South Asian language.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single line across the page. There are two large circular holes visible in the center of the page, suggesting it was once bound in a book or folder. The script is dense and appears to be in a historical form of a South Asian language.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single line across the page. The script is dense and difficult to decipher, but appears to be a form of early modern European cursive. There are two large, dark, circular marks or holes visible on the page, possibly from binding or damage.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single line across the page. The script is dense and difficult to decipher, but appears to be a form of early modern European cursive. There are two large, dark, circular marks or holes visible on the page, possibly from binding or damage.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single sheet of paper, which is slightly aged and shows some staining. The handwriting is dense and fills most of the page. There are two distinct dark spots, possibly holes or ink stains, visible on the right side of the page.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single sheet of paper, which is slightly aged and shows some staining. The handwriting is dense and fills most of the page. There are two distinct dark spots, possibly holes or ink stains, visible on the right side of the page.

מחוצה, כה

Handwritten text in Burmese script, likely a historical document or manuscript. The text is written in a cursive style and is arranged in several lines across the top half of the page. There are two prominent circular holes or indentations in the paper, one on the left and one on the right, which may be remnants of binding or damage.

Handwritten text in Burmese script, continuing from the top half. The text is written in a cursive style and is arranged in several lines across the bottom half of the page. There are two prominent circular holes or indentations in the paper, one on the left and one on the right, which may be remnants of binding or damage.

Handwritten text on a long, narrow strip of paper, likely a manuscript or ledger page. The text is written in a cursive script and is mostly illegible due to fading and the angle of the strip. There are two distinct circular holes punched through the paper, suggesting it was once bound or used as a page in a book. The strip is light brown and shows signs of age and wear.

Handwritten text on a second long, narrow strip of paper, similar to the one above. The text is also in a cursive script and is mostly illegible. This strip also features two circular holes punched through it. The paper is light brown and shows signs of age and wear.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single sheet of paper, showing signs of age and wear. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single sheet of paper, showing signs of age and wear. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a letter or document, spanning the top half of the page. The text is dense and fills most of the line.

Handwritten text in a cursive script, likely a letter or document, spanning the bottom half of the page. The text is dense and fills most of the line.

Handwritten text in Burmese script, likely a historical document or manuscript. The text is written in a cursive style and covers the upper portion of the page. It appears to be a continuous narrative or record, possibly related to a royal decree or a historical event. The script is dense and fills most of the upper half of the page.

Handwritten text in Burmese script, continuing the narrative or record from the upper portion. This section is also written in a cursive style and covers the lower portion of the page. The text is dense and appears to be a continuation of the same document or a related one. The script is consistent with the one in the upper portion.

Handwritten text in Arabic script, likely a manuscript page. The text is dense and covers most of the page. There are two large circular holes visible, suggesting it was once bound in a book. The script is cursive and typical of historical Islamic manuscripts.

Handwritten text in Arabic script, likely a manuscript page. The text is dense and covers most of the page. There are two large circular holes visible, suggesting it was once bound in a book. The script is cursive and typical of historical Islamic manuscripts.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single line across the page, with some ink bleed-through visible from the reverse side. The script is dense and flowing, characteristic of early modern European handwriting.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single line across the page, with some ink bleed-through visible from the reverse side. The script is dense and flowing, characteristic of early modern European handwriting.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and difficult to decipher without specialized knowledge of the language.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and difficult to decipher without specialized knowledge of the language.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be in a European language, possibly German or Dutch. The script is dense and flowing, with many ligatures and flourishes. There are several large, ornate initial letters, some of which are decorated with red ink. The text is written on a piece of aged, slightly discolored paper.
